

RESTS ON ARMS

New Mexican Republic Awaits
Next Move by Carranza.

Leaders Declare Revolt to Main-
tain State Sovereignty.

Nogales, April 12.—The new republic of Sonora rested on its arms today awaiting for any steps the federal government may take to meet the situation caused by state seizure and operation of the railroads, assumption of customs collections and occupation of federal buildings.

Twenty thousand state troops are ready to repel any attempted invasion of the state by federal forces. Carranza is watching the state border for evidences of aggression by federal troops and customs receipts ordinarily forwarded to New York banks to the treasury at Hermosillo.

At Agua Prieta citizens have been called to arms and preparations are under way for defense of the city from possible attack. So far there has been no indication of whether an attack may be expected. Gen. P. Elias Calles, former governor, who resigned from Carranza cabinet to take charge of Gen. Alvaro Obregón's presidential campaign, is temporarily head of the

new republic thru the illness of Governor de la Huerta. Reports that other states were ready to join Sonora in the secession movement have not been confirmed.

General Calles reiterated that the state's action was merely to compel recognition of state sovereignty and that the government would revert to its previous status on assurance that federal troops would not be sent into the state without the consent of the state government.

"IRISH PRESIDENT" CANCELS

Will Not Speak at South Carolina U.—
American Legion Objected.

Columbia, S. C., April 12.—Because of objection by prominent alumni, mainly members of the American Legion, Ramon de Valera, president of the Irish republic, will not speak at the University of South Carolina today. Friends of de Valera withdrew their request that he address the university students when objections were made from several quarters.

Charlotte, S. C., April 12.—Hornet's Next post of the American Legion has adopted a resolution opposing the appearance here of Dr. Ramon de Valera, who recently was invited by local Irish sympathizers to deliver an address here this month.

A committee was named to file protest with the city authorities against de Valera being permitted to speak here and calling upon owners of halls to refuse to permit such use of their places.
